

WhizBang! Unique Gift Guide

Retailers Pick The Most Unique Gifts In Store This Holiday Season

From the hundreds of independent retailers from across North America who submitted the most unique gifts they were offering in their stores this year, we selected the following twenty-five.

Two Crow Folk Art Fountain

We had to include this whimsical fountain in the guide – TWO different store owners nominated it as their most unique gift! The fountain has two crows sitting on a round base filled with water. The crows take turns dribbling water from their beaks. The rusted finish gives it that folk art rustic country feel.
